Financial Highlights

This annual report consists of a series of financial statements. The Statement of Net Assets and the Statement of Activities provide information about the activities of the Board as a whole and present a longer-term view of the Board's finances. These statements tell how these services were financed in the short-term as well as what remains for future spending. The Board maintains only one fund, the general fund, through which all of its operations are conducted.

General Fund Budgetary Highlights

Economic Factors and Next Year's Budget

The Board considered many factors when setting the budget for the next fiscal year. Anticipated revenues should increase slightly and a small increase in expenditures is expected. However the budget for FY 2007 should not increase significantly from FY 2006.

ACCOUNTANT'S REVIEW REPORT ON THE FINANCIAL STATEMENTS

Second Judicial District Indigent Defender Board 525 E. Court Street Jonesboro, Louisiana 71251

We have reviewed the accompanying financial statements of the governmental activities and each major fund of the Second Judicial District Indigent Defender Board as of and for the year ended December 31, 2006, which collectively comprise the Board's basic financial statements as listed in the Table of Contents, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of management of the Board.

A review consists principally of inquiries of Board personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

The Management's Discussion and Analysis and budgetary comparison information on pages 1 through 4 and 23 through 24, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. Such information has not been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, but was compiled from information that is the representation of management, without audit or review. Accordingly, we do not express an opinion or any other form of assurance on the supplementary information.

In accordance with the Louisiano Governmental Audit Guide and the provisions of state law, we have issued a report dated June 25, 2007 on the results of our agreed-upon procedures.

NOTES TO FINANCIAL STATEMENTS

Second Judicial District Indigent Defender Board

Notes to Financial Statements December 31, 2006

1. Introduction:

The Second Judicial District Indigent Defender Board is established in compliance with Louisiana Revised Statutes 15: 144-149, to provide and compensate counsel appointed to represent indigents in criminal and quasi-criminal cases on the district court level. The judicial district encompasses the parishes of Bienville, Claiborne and Jackson, Louisiana. The board at present has four members who serve without compensation. Each bar association from the representative parishes nominates members for selection to the board. The judges of the district then appoint board members from nominations. The board retains an attorney to act as chief indigent defender to administer the operations of the board. This attorney is paid a monthly retainer and is accountable to the board. The board has no employees; all legal services are on a contract basis.

2. Summary of Significant Accounting Policies:

The accounting and reporting policies of Second Judicial District Indigent Defender Board conform to generally accepted accounting principles as applicable to governmental units. Such accounting and reporting policies also conform to the requirements of Louisiana Revised Statutes 24:517 and to the guides set forth in the Louisiana Governmental Audit Guide.

A. Reporting Entity-

Governmental Accounting Standards Board Statement No. 14 established criteria for determining the governmental entity and component units that should be included within the reporting entity. The basic criterion for including a potential component unit within the reporting entity is financial accountability. For financial reporting purposes, in conformance with GASB Statement No. 14, the Second Judicial District Indigent Defender Board includes all funds, account groups, et cetera, that are within the oversight responsibility of the Indigent Defender Board. Oversight responsibility is determined on the basis of appointment of governing body, ability to significantly influence operations, accountability for fiscal matters, and the nature and significance of an organization's relationship with the primary government. Based on the consideration of the foregoing criteria, the Second Judicial District Indigent Defender Board is deemed to be a separate reporting entity. Certain units of local government over which the Indigent Defender Board exercises no oversight responsibility, such as the parish police jury, parish school board, other independently-elected officials, and municipalities within the parish, are excluded from the accompanying financial statements. These units of government are considered separate reporting entities and issue financial statements separate from those of the Indigent Defender Board.

B. Basis of Presentation-

Government-Wide Financial Statements (GWFS)

The Statement of Net Assets and Statement of Activities report information about the reporting government as a whole. They include all funds of the reporting government. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange revenues.

Second Judicial District Indigent Defender Board Notes to Financial Statements (Continued) December 31, 2006

The Statement of Activities presents a comparison between direct expenses and program revenues for each function of the Board's governmental activities. Direct expenses are those that are specifically associated with a program or function. Program revenues include (a) fees and charges paid by the recipient for goods or services offered by the program, and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

C. Fund Accounting-

The accounts of the Board are organized on the basis of funds. A fund is an independent fiscal and accounting entity with a separate set of self-balancing accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The Board maintains only one fund. It is categorized as a governmental fund. The emphasis on fund financial statements is on major governmental and enterprise funds; each displayed in a separate column. A fund is considered major if it is the primary operating fund of the entity or meets the following criteria:

- Total assets, liabilities, revenues, or expenditures/expenses of that individual governmental
 or enterprise fund are at least 10 percent of the corresponding total for all funds of that
 category or type; and
- Total assets, liabilities, revenues, or expenditures/expenses of the individual governmental
 or enterprise fund are at least 5 percent of the corresponding total for all governmental and
 enterprise funds combined.

The major fund of the Board is described below:

Governmental Fund-

General Fund

The General Fund is the general operating fund of the Board. It is used to account for all financial resources except those required to be accounted for in another fund.

D. Measurement Focus/Basis of Accounting-

Basis of accounting refers to when revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied.

Accrual Basis - Government-Wide Financial Statements (GWFS)

Second Judicial District Indigent Defender Board Notes to Financial Statements (Continued) December 31, 2006

The Statement of Net Assets and the Statement of Activities display information about the Board as a whole. Both of these statements have been prepared using the economic measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

Modified Accrual Basis - Fund Financial Statements (FFS)

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., when they are both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Board considers all revenues "available" if they are collected within 60 days after year-end. Expenditures are generally recorded under the modified accrual basis of accounting when the related liability is incurred. The exceptions to this general rule are that (1) unmatured principal and interest on long-term debt, if any, are recorded when due and (2) claims and judgments and compensated absences are recorded as expenditures when paid with expendable available financial resources.

E. Assets. Liabilities, and Equity-

Cash and Interest-Bearing Deposits-

For purposes of the Statement of Net Assets, cash and interest-bearing deposits include all demand accounts, savings accounts, and certificates of deposit of the Board.

Capital Assets-

Capital assets, which include property, plant, and equipment, are reported in the governmental activities column in the government-wide financial statements. Capital assets are capitalized at historical cost or estimated cost if historical cost is not available. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation. The Board maintains a threshold level of \$500 or more for capitalizing capital assets.

The costs of normal maintenance and repairs that do not add to the value of that asset or materially extend the life of that asset are not capitalized.

Depreciation of all exhaustible capital assets is recorded as an expense in the Statement of Activities, with accumulated depreciation reflected in the Statement of Net Assets. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. The range of useful lives by type of asset is as follows:

Furniture, computers

5 years

Second Judicial District Indigent Defender Board Notes to Financial Statements (Continued) December 31, 2006

Compensated Absences - The Second Judicial District Indigent Defender Board does not have any employees. Therefore, no entry is made to record compensated absences.

Equity Classifications-

In the government-wide statements, equity is classified as net assets and displayed in three components:

- Invested in capital assets, net of related debt—Consists of capital assets including
 restricted capital assets, net of accumulated depreciation and reduced by the
 outstanding balances of any bonds, mortgages, notes, or other borrowings that are
 attributable to the acquisition, construction, or improvement of those assets.
- Restricted net assets—Consists of net assets with constraints placed on the use either by
 (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provision or enabling legislation.
- Unrestricted net assets—All other net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt".

In the fund statements, governmental fund equity is classified as fund balance. Fund balance is further classified as reserved and unreserved, with unreserved further split between designated and undesignated.

F. Budget-

Prior to the beginning of each fiscal year, the Board adopts a budget for the next fiscal year. The budget is open for public inspection. All budgetary appropriations lapse at the end of the fiscal year. The budget is prepared on the modified accrual basis of accounting.

G. Estimates-

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures and expenses during the reporting period. Actual results could differ from those estimates.

3. Cash and Cash Equivalents:

For reporting purposes, cash and cash equivalents include demand deposits, time deposits, and certificates of deposit. At December 31, 2006, the Board had cash and cash equivalents (book bank balances) totaling \$270,700. All cash is deposited in interest bearing accounts. Cash and cash equivalents are stated at cost, which approximates market. Under Louisiana law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the bank. These pledged

Second Judicial District Indigent Defender Board Notes to Financial Statements (Concluded)

securities are held in the name of the pledging bank in a holding or custodial bank in the form of safekeeping receipts held by the Board.

The deposits (bank balances)at December 31, 2006, were secured as follows:

Certificate of Deposit		181,059
Total	<u>s</u>	259,981
FDIC Insurance	\$	259,981
Pledged Securities		0
Total	5	259.981

Even though the pledged securities are considered uncollateralized (Category 3), Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Board that the fiscal agent has failed to pay deposited funds upon demand.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Second Judicial Indigent Defender Board Jonesboro, Louisiana 71251

We have performed the procedures included in the Louisiana Governmental Audit Guide and enumerated below, which were agreed to by the management of the Second Judicial District Indigent Defender Board and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about the Second Judicial District Indigent Defender Board's compliance with certain laws and regulations during the year ended December 31, 2006, included in the Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

PUBLIC BID LAW

Select all expenditures made during the year for materials and supplies exceeding \$20,000, or public works
exceeding \$100,000, and determine whether such purchases were made in accordance with LSA-RS
38:2211-2251 (the public bid taw).

There were no expenditures made during the year for materials and supplies exceeding \$20,000 or for public works exceeding \$100,000.

CODE OF ETHICS FOR PUBLIC OFFICIALS AND PUBLIC EMPLOYEES

 Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided us with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

The Indigent Board has no employees so no listing is required.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedures (3) were also included on the listing obtained from management in agreed-upon procedures (2) as immediate family members.

The Second Judicial District has no employees so no one appears on the list provided by management in agreed-upon procedure (2).

BUDGETING

5. Obtain a copy of the legally adopted budget and all amendments.

Management provided us with a copy of the original budget.

Trace the budget adoption to the minute book.

The budget was legally adopted.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues or expenditures exceed budgeted amounts by more than 5%.

Although the Board had an approved budget for the year, Louisiana Revised Statute 39:1301-1315, the Local Governmental Budget Act, does not require General Fund budgets to be amended if expenditures are less than \$500,000.

ACCOUNTING AND REPORTING

- 8. Randomly select 6 disbursements made during the period under examination and:
 - (a) trace payments to supporting documentation as to proper amount and payee:

We examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payer.

(b) determine if payments were properly coded to the correct fund and general ledger account:

Each disbursement appeared to be coded correctly.

(c) determine whether payments received approval from proper authorities:

Inspection of documentation supporting each of the 6 selected disbursements indicated adequate approvals.

MEETINGS

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

Agendas were posted and meetings were advertised as required.

DEBT

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds or any other indebtedness which have not been approved by the State Bond Commission.

We inspected copies of all bank deposits for the period under examination and noted no deposits that appeared to be proceeds of bank loans, bonds, or other indebtedness that had not been approved by the State Bond Commission.

ADVANCES AND BONUSES

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees that may constitute bonuses, advances, or gifts.

We noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an option. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of the Second Judicial District Indigent Defender Board and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statue 24:513, this report is distributed by the Legislative Auditors as a public document.
